

Green Set, Inc.
motion picture plant rentals

WEEKLY RENTAL POLICY

Green Set's plants and props are rented and invoiced on a weekly basis. A one-week rental period is seven calendar days. For example:

If your order is picked up or delivered on Thursday, it is due for return on the following Wednesday. If your order is not returned by the end of business day (Wednesday at 5:00 p.m.), you would then be charged for an additional week.

PRODUCTION RENTAL POLICY

Green Set offers production rental discounts, which must be established at the time the order is placed with a salesman.

Production Rentals and Extended Rentals vary according to the Item:
